Painting in the gallery never had to give
Give up their dispositions just to get along
Visiting museums people think just what they want
Sometimes watching art feels truer then to live

3. I don't hold my breath much when you're gone
The world just seems to tick by on and on
And I can concentrate on the weight of things to do
No distractions tickle like when I am with you
No, I don't hold my breath when you're gone
