

# I Just Want You to Hold Me

Kristina Olsen

*sung freely*

I'm so strong and I'm so ca-pa-ble I'm so tough and I'm so damned a - ble

3

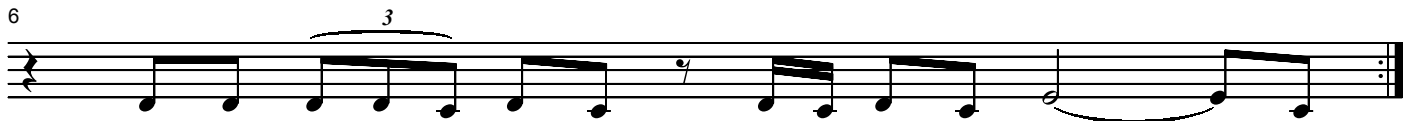

every - thing I set my mind to gets done but

4

I just want you to hold me like a lit-tle girl and I just want you to hold me

6

I just want you to hold me like a lit - tle girl and

2. I'm the one with so much self control  
I never let my weak side show  
I'm always there laughing smiling proud  
But I just want you to hold me like a little girl  
I just want you to hold me  
I just want you to hold me like a little girl

3. It's not for long that I will burden you  
I'll snap right back to the girl you knew  
I just need a little time to come unglued  
I just want you to hold me like a little girl  
I just want you to hold me  
I just want you to hold me like a little girl
