walk - ing a - way

2. This love has no reason no way it can last
 I put on my jacket find my keys and my hat
 I knew that to love you my heart had to break
 That's why I'm practicing walking away

Each time we fall we're filled with love
 This time I know, I know too much
 But knowledge is useless my heart won't obey
 That's why I'm practicing walking away

3. I reach out to touch you before you awake
 Your hair on the pillow the smell of your face
 I'm so very foolish I'm so, so afraid
 That's why I'm practicing walking away
 That's why I'm practicing walking away
 That's why I'm practicing walking away
