Some girls like a man with restraint
 At first just a peck on the cheek, first base
 Some want a man who communicates well
 Gives her flowers and never is late
 Well that's well and good if you're the patient kind
 But my patience kind of got lost some how
 I ain't lookin' for Mr. Right
 I'm lookin' for Mr. Right Now

Some girls think if they kiss enough frogs
 They'll get a prince in shiny armour
 Some girls think it takes a hole in one
 To land themselves a charmer
 Well, I just want to get one in the hole
 It don't matter if, or how he's endowed
 I aint lookin' for Mr. Right
 I'm lookin' for Mr. Right Now
