car And there are

2. And there are stars out on the highway
Twinkle twinkle who are you
Is your fall from height for me tonight
If it is, well, how do you do

And touching, it is an accident
Touching would go too far
So I make a wish to taste your kiss
From the safety of my car

3. There are headlights on the highway
Strangers rushing by
I have moved away from the passing lane
You can catch me if you try
